) '

Pursuant to RAP 10.8, the State respectfully cites the

following as additional authority:

State v. Weaver, No. 57691-7, slip op. (Court of Appeals, Division One, 8/27/2007) ("...we reject Weaver's third challenge to his sentence, disagree with a recent decision of Division II of this court, and hold that the term "presentence reports" in RCW 9.94A.530 includes criminal history information submitted by the State. Under that statute, Weaver's failure to object to the State's report of his criminal history constituted an acknowledgement of its truth, and the trial court was entitled to rely upon it when calculating his offender score.")
